EXPERIENCE

ABC News (*New York, New York*)

Live Operations Specialist

June 2025-Present

- Uses broadcast technologies, including video switching/payout software (Versio) and editing programs (Avid), to operate ABC News Live, communicating with director and producer to adjust onscreen graphics in real time and roll commercial breaks that ensure proper show timing
- Creates templates for daily show playlist, making adjustments as news breaks and live show schedule constantly adapts

Newsgathering and Operations Intern

January 2025-June 2025

- Monitored breaking news, conducted background research, and wrote headlines and bulleted story summaries for onscreen graphics
- Organized logistics of live field shots from start to finish, including booking videographers and organizing delivery of equipment
- Routed incoming/outgoing live feeds from cameras stationed globally and coordinated transmission of feeds through LiveU/TVU/satellite signals

The Garnette Report, Entertainment Reporter (*New York, New York*)

September 2024-December 2024

- Interviewed three musical artists a week via Instagram Live, garnering hundreds of viewers per livestream
- Managed social media coverage of events like movie screenings, concerts and art installations, and wrote a news article or review for each event

Mako News, Lead Anchor / Editor-in-Chief (*Davie, Florida*)

January 2024-May 2024

- Conducted live on-camera news and features reporting, breaking local stories such as street protests, and anchored biweekly news shows, presenting stories engagingly and demonstrating strong rapport with co-anchor and interviewees
- Edited articles to ensure content consistency, creativity and adherence to AP style, and worked with art director on the layout design of each print issue to ensure unique, accessible multimedia presentations
- Held two weekly meetings to give a team of over 30 writers, photographers, graphic designers and other contributors assignments and feedback
- Conducted in-depth interviews with up-and-coming musical artists to be aired on weekly radio shows and released on Spotify

Stryker, Software Engineering Intern in Regulatory Compliance (*Mahwah, New Jersey*)

May 2023-August 2023

- Designed and developed internal system allowing employees to easily search through a database of product recalls and gain key data fields, reducing the time it takes to retrieve recall data from 14 days to a few minutes

Allied Youth Consulting, News Writer (*New York, New York*)

March 2022-September 2022

- Posted summaries to Instagram of the top three global news stories of every week, creating original graphics for each post with Canva

Super Purposes, Web Developer (*Remote*)

September 2021-March 2022

- Created and modified SEO-optimized pages on company's website and thoroughly documented development parameters and guidelines
- Acted as liaison between web developing and marketing teams to ensure campaign strategies had smooth online executions

EDUCATION

Nova Southeastern University, Farquhar Honors College (*Davie, Florida*)

August 2020-May 2024

ACTIVITIES

Camp-of-the-Woods, "Leaders in Further Training" Student (*Speculator, New York*)

August 2025-August 2026

- Selected to participate in an intensive leadership development program focused on communication, decision-making, public speaking, problem solving, positive collaboration, and group facilitation, particularly in high-pressure situations; applied skills to multiple service projects, including a Guatemala mission trip aimed at empowering underserved communities with educational opportunities and relational support

Presidential Scholar Events, Content, and Media Committee, Committee Chair (*Davie, Florida*)

August 2022-May 2023

- Guided team of 30 committee members to create a semesterly campus newsletter and oversaw social media team in posting daily campus news

Coptic Orphans, Volunteer English Teacher (*Cairo, Egypt*)

July 2022-August 2022

- Traveled to destitute Coptic Orthodox communities in Egypt to teach orphaned children how to speak English

Rainy Daze Music Review, Blogger

August 2017-December 2021

- Independently designed, developed, and maintained Wordpress blog with original song recommendation and review articles to give exposure to up-and-coming artists; networked with artists and collaborators via Instagram
